

Welcome

Dear valued guest,

to make your stay with us safe and hygienic, **Aquila Atlantis Hotel** works with professional disinfectants, certified according to European Standard EN14476.

We also follow the procedures given to us by Diversey, a global leader in cleaning and hygiene solutions. This makes us confident to welcome you in a secure space, in line with the recommendations of the WHO and the European Centre for Disease Prevention and Control.

We care about you and your **well-being**.

We clean and disinfect to the **highest standards**.

We care about **your satisfaction**, and welcome your feedback

Please contribute to a safe environment.
Continue practicing good hand hygiene.
